Jim Kouzes and Barry Posner

Jim Kouzes and Barry Posner have been working together for more than thirty years, studying leaders, researching leadership, conducting leadership development seminars, and serving as leaders themselves in various capacities. They are co-authors of the award-winning, best-selling book *The Leadership Challenge*®. Since its first edition in 1987, *The Leadership Challenge*® has sold more than two million copies worldwide and is available in more than twenty-two languages.

They have been named Management/Leadership Educators of the Year by the International Management Council; ranked by *Leadership Excellence* magazine in the top twenty on its list of the Top 100 Thought Leaders; and listed among *HR Magazine's* Most Influential International Thinkers.

Jim and Barry are frequent speakers, and each has conducted leadership development programs for hundreds of organizations.

“The Leadership Challenge is still popular and relevant after 25 years for a reason: it is a classic. No one provides more practical real-world advice than Jim Kouzes and Barry Posner. This is the book on leadership that I recommend to all of my clients, and I think this is the greatest book on leadership ever written.”

Ernst & Young Global Limited (known as EY) is a multinational professional services firm headquartered in London, United Kingdom. It is one of the “Big Four” audit firms and is the third largest professional services firm in the world by aggregated revenue in 2014.

The organization operates as a network of member firms which are separate legal entities in individual countries. It has 190,000 employees in over 700 offices around 150 countries in the world. It provides assurance (including financial audit), tax, consulting and advisory services to companies. The firm dates back to 1849 with the founding of Harding & Pullein in England. The current firm was formed by a merger of Ernst & Whinney and Arthur Young & Co. in 1989. It was known as Ernst & Young until 2013, when it underwent a rebranding to EY.

The 3 volume *International GAAP® 2017* is the essential tool for anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting.

Jon Duckett

Jon Duckett's programming books are not your average programming books. Computer books often look rather like manuals. They can be dense and intimidating but Jon Duckett's books prove that they do not need to look like that. Jon understands that all kinds of people build websites these days (and that they don't all have a degree in computer science). His books on HTML and CSS, and JavaScript & JQuery have redefined the way people learn computer programming languages.

Doug Lemov

Doug Lemov's *Teach Like a Champion* first released in 2010. The book made an instant impact with school teachers across the United States. The message then spread like wildfire and the book is now required reading for teachers around the world. The Observer newspaper recently quoted it as being 'Britain's latest teaching bible'. Doug is the managing director of Uncommon Schools - a non-profit charter public school managed and operated in the United States that starts and manages urban schools for low-income students.
